BEST PRACTICE: I

Title: NSS Volunteers' social services at three PSU Banks during the COVID-19 Pandemic

The COVID-19 pandemic has significantly impacted the banking sector and the delivery of public services. This report aims to highlight the best practices for NSS college volunteers working in State Bank of India, Bank of Baroda, and Bank of India to ensure their safety and the efficient provision of services during the 2019-20 academic year.

Objective of the Practice:

- Preparing Volunteers
- Safety protocols: Provide comprehensive training on COVID-19 safety protocols, including hand hygiene, respiratory etiquette, social distancing, and the proper use of personal protective equipment (PPE).
- Knowledge enhancement: Equip volunteers with up-to-date information about government policies, financial relief schemes, and digital banking platforms to effectively assist customers during the pandemic.
- Virtual training: Utilize online platforms to conduct training sessions, reducing the need for physical contact and minimizing health risks.

The Context:

- Service Delivery:
- Appointment-based service: Implement appointment-based services to regulate the flow of customers, minimize overcrowding, and ensure social distancing.
- Contactless transactions: Promote the use of digital payment methods and encourage customers to utilize online banking services to reduce physical interactions.
- Sanitization practices: Conduct regular sanitization of premises, including high-touch surfaces like ATMs, counters, and waiting areas, to maintain a clean and safe environment for customers and volunteers.

The Practice:

- Safety Measures:
- Personal protective equipment (PPE): Provide PPEs such as masks, gloves, and face shields to all
 frontline staff and volunteers, ensuring adequate protection during customer interactions.
- Physical distancing: Enforce social distancing measures within bank branches, including marking

floors to indicate appropriate spacing and limiting the number of customers inside the branch at a given time.

- Temperature screening: Perform regular temperature checks of customers and staff before entering the branch.
- Volunteer and Customer Communication:
- Educational campaigns: Launch awareness campaigns to educate customers and volunteers about COVID-19 prevention measures, digital banking services, and financial relief schemes for affected individuals and businesses.
- Clear signage: Display informative posters and signage within the branches to reinforce safety protocols, guidelines, and contact details for assistance.
- Regular updates: Maintain open lines of communication between branch managers, volunteers, and
 customers through emails, SMS notifications, and social media platforms to provide updates on
 banking services and safety measures.
- Monitoring and Evaluation:
- Compliance monitoring: Regularly assess branch compliance with safety protocols and guidelines, and promptly address any deviations or concerns.
- Feedback mechanism: Establish a feedback system to collect suggestions, concerns, and experiences from volunteers and customers for continuous improvement of service delivery.
- Reporting system: Maintain records of volunteer activities and services delivered to track the impact and identify areas of improvement.

Evidence of Success:

- By implementing the best practice, NSS college volunteers working in State Bank of India, Bank
 of Baroda, and Bank of India can ensure the safety of both volunteers and customers, while
 maintaining the efficient provision of banking public services during the COVID-19 pandemic.
- Collaboration with bank authorities, strict adherence to safety protocols, and leveraging digital platforms are vital for successful service delivery in these challenging times.
- Students learnt value being human and spread humanity.
- As an outcome a certificate of the best social service during the Covid-19 pandemic is issued to NSS OFFICER Prof. M. N. Gohil by Superintendent of Police Mr. Hitesh Joysar.
