This Memorandum of Understanding (MOU) is for the duration of "Two Years". (AY 2018-19 to AY 2019-20)

Preamble:

The Parties recognize the importance of academic collaboration and exchange to enhance the quality of education and research. This MOU aims to establish a faculty exchange program between Institution A and Institution B for the Master of Arts (MA) program. For the subjects of Hindi, Gujarati, Sanskrit, English and Economics.

1. Objective:

The objective of this MOU is to foster mutual cooperation and collaboration between the two institutions in the field of education by facilitating the exchange of faculty members for the Master of Arts program. The exchange will promote cross-cultural understanding, knowledge sharing, and academic development.

2. Scope:

Under this MOU, both institutions agree to facilitate the exchange of faculty members in the field of Master of Arts. The exchange may involve teaching, research collaboration, curriculum development, and sharing of educational resources.

3. Exchange Arrangements:

- Each institution will select faculty members to participate in the exchange program based on their expertise and interest.
- The exchange duration will be determined by mutual agreement, typically ranging from one semester to one academic year.
- The sending institution will ensure that the participating faculty members have the necessary travel, accommodation, and insurance arrangements.
- The host institution will provide necessary support to the visiting faculty members, including office, space, access to facilities and academic resources.

4. Responsibilities:

4.1. Sending Institution (Institution A):

- Identify suitable faculty members for exchange.
- Facilitate necessary administrative and logistical arrangements for the exchange.
- Ensure that the faculty members have a clear understanding of their responsibilities during the exchange.

4.2. Host Institution (Institution B):

- Assignment of coordinator to assist visiting faculty members.
- Provide access to academic resources, facilities, and relevant events.
- Encourage collaboration between visiting faculty members and local faculty.

5. Benefits:

- a) Faculty members will have the opportunity to gain exposure to different teaching methodologies, research practices and cultural experiences.
- b) The exchange will lead to the enrichment of the Master of Arts program curriculum through cross-institutional input.
- c) Collaborative research and joint projects may emerge from the interactions between faculty members.

6. Review and Renewal:

This MOU will be reviewed periodically, typically every two years, to assess its effectiveness and make necessary amendments if any. Renewal of the MOU will be based on mutual agreement between the Parties.

7. Confidentiality:

Both institutions agree to maintain the confidentiality of sensitive information exchanged during the collaboration.

8. Termination:

- a) Either party may terminate this MOU within six months by providing written notice to the other party.
- b) Termination will not affect ongoing exchanges but will prevent the initiation of new exchanges.
- c) This MOU is drafted in duplicate and shall be equally valid in both the English and Gujarati languages.
